2007 Cranchi Mediterranee 43HT 'WIN'

EUR 179'950 vat paid | 11.88m | 2007

A white and blue motorboat named 'Win' is docked at a marina. The boat has a sleek, modern design with a white upper hull and a blue lower hull. It features a large cockpit and a cabin with a windshield. The boat is positioned in the foreground, with other boats visible in the background. The sky is clear and blue.

WIN is a lovely example of this highly-popular model, the Cranchi Mediterranee 43HT. This boat ticks all the boxes when it comes to comfortable weekend cruising.

A large cockpit and entertaining area, two decent sized cabins with two toilets and a convertible table in the saloon allows her to accommodate up to 6 guests overnight comfortably. The head height within the boat is very good and allows for a decent-sized galley and upright fridge. The centre console driving position and the IPS makes Win an absolute doddle to drive and particularly good for a first-time buyer. The hull was recently wrapped in this beautiful shark-skin blue colour and the boat has been maintained well by her current owner and service annually through a certified Volvo Penta engineer.

Currently lying in Malta, Win is available to view at short notice.
