Magazzo MX-13 RIB – for sale

EUR 210,000

A white rigid inflatable boat (RIB) is shown cruising on the water at sunset. The boat is moving from left to right, leaving a white wake behind it. The sun is low on the horizon, creating a bright, golden glow and a long, shimmering reflection on the water's surface. In the background, there are dark silhouettes of hills or mountains. A few other boats are visible in the distance, including a small sailboat. The overall atmosphere is serene and luxurious.

An imposing over 13m rib (rigid inflatable boat), the “mx-13 coupé” is excellent for wide ranging cruising, allowing you to maintain a relatively high speed during navigation even in rough seas.

Its vast internal space makes it the ideal holiday “companion”: with extensive sunbathing areas both at stern and bow, large external sofa with two tables, large fridge and cooking area.
