Starting at the aft area, you'll find a spacious outside deck, perfect for sunbathing and enjoying the sea breeze. The "Transformer platform" integrated into the AFT platform allows easy launching of tenders and serves as a diving platform or a spot for thrilling backflips into the turquoise waters. Every detail on the Maori is carefully designed, from the flush support for the sun awning to the hidden winches and cleats, ensuring a clean and elegant appearance.

Moving inside, you'll step into a spacious saloon with a well-arranged sofa setup and a stylish dining area. The kitchen features high-quality materials, including leather finishes, marble countertops, and wooden details, giving the interior a cozy yet refined ambiance. The master cabin, boasting a full-beam design, offers breathtaking views of the bay through large windows, while the ensuite bathroom features ample storage and a luxurious shower. The guest cabin, with an unusual but practical layout of three beds, ensures everyone's comfort on board.

Beyond its powerful performance and stunning looks, the Maori 78 Yacht also comes equipped with 2 seakeeper gyro stabilizers so you will not get seasick.

She has plenty of room for toys and water sports equipment, making it perfect for thrill-seekers.

Whether you're looking for speed, comfort, or an inviting living space, this yacht has it all. If you're intrigued by speed boating and the allure of this impressive vessel, reach out to us to schedule a personal tour and let's talk yachting!

NOTE: toys and tender are not included in the sales price.
