Prestige 680 'ENDLESS SUMMER'

EUR 1'385'000 Tax paid | 21.45m | 2018

This Prestige 680 leaves nothing to be desired with her complete equipment. Whether it's the gyro stabilization system, the hydraulic bathing platform, the hardtop, or the IPS 1200 with joystick, she offers all the features an owner and his family expect from a 70-foot yacht.

The interior is flooded with sunlight and the saloon with its open kitchen offers plenty of space, intelligently divided into different zones.

breezeYachting.swiss

KEY POINTS

1. IPS 1200 with 900 hp, very efficient, with joystick, 30 knots top speed.
2. innovative layout, 4 cabins with huge owner's cabin in the bow, large and bright saloon
3. outside areas intelligently used, cockpit lounge with sun blinds
4. huge flybridge, well equipped and well laid out with berths and dining area
5. hard top with automatic sunroof
6. hydraulic bathing platform
7. gyro stabilisation system

The owner has just refitted the yacht to eliminate all child's play, for example the bathing platform was only glued at the factory and has now been firmly screwed down with 6 large screws.

The black water system has been overhauled and 3 new pumps and valves installed. The hydraulics have also been repaired and cosmetic work has been done.

All in all, she is now ready for a new owner to take over the yacht without any problems and with pleasure.
